LOOKING FOR GOOD NEIGHBORS TO BE VOLUNTEERS FOR HOSPICE OF RENO COUNTY

Our volunteers range from young adults to senior citizens and come from all walks of life. They support hospice for many different personal reasons, but the shared theme is making a positive difference in the lives of others.

- Be a companion for a hospice client, in their home or a nursing home.
- Relieve the family/caregiver for an hour or two.
- Lend a hand at our HOSPICE HOUSE on east 20th Street.
- Provide office support for hospice staff.
- Pet Therapy (requires special training course for pet and handler)
- Hours are flexible, based on your availability.
